Knit one, Change too!

*This is the worsted version of the Patriotic Pussyhat designed by
Rahel Wachs on Ravelry*

Yarn weight: Worsted

Yardage: I used leftover bits from other projects: Cascade yarn 220 superwash in Aran white and Christmas red heather and Madeline tosh merino light in Cobalt Blue

Needle size: Size 7 and 8 circular needles or size to get gauge

Gauge: 5 stitches to 1 inch

Directions:

1. Cast on 96 stitches with the smaller needles using the red yarn and join in the round.
2. Knit 1 purl 1 for 3 rows red and 3 rounds white until you have 2 inches of ribbing. I just did two stripes of each color.
3. Switch to the larger needles and switch to knitting every round. Knit 3 rounds red and 3 rounds white until you have 2 inches of stockinette stitch above the rib. Again I did two stripes of each color.
4. Knit 3 rows of blue.
5. Row 4: knit 5 stitches blue, Knit 1 stitch white. Repeat to end of round.
6. Knit 2 rounds blue.
7. Row 7 in blue: Knit 2 stitches blue, knit 1 stitch white, *Knit 5 stitches blue, K1 white and repeat from * until end of round.
8. Knit 2 rows Blue
9. Repeat the star pattern until 7 total rows of stars are completed or until hat is approx. 8 $\frac{3}{4}$ inches long. End with 3 rows of blue. Kitchener the top of the hat or turn inside out and do 3 needle bind off. I did kitchener.
